## CÉILÍ | BIOGRAPHY

CÉILÍ is an Irish-born, Berlin-based DJ and producer whose sound channels raw emotion and true underground spirit. Emerging from Ireland's vibrant scene and shaped by Berlin's club culture, his music carries visceral energy, honesty and forward momentum.

His approach blends intensity with instinct, building sets and productions that feel immediate, physical and unfiltered. As the founder of Mala Ádh, CÉILÍ has created a space for bold, forward-thinking artists including 1morning, DJ Ali and Isabella Koen, while developing his own distinct voice. The label embodies his ethos: direct, rugged and deeply connected to the dancefloor - a place where authenticity matters more than perfection.
